

# St James Pre-school Admissions Policy

**St James Church Pre-School is not open for the full 38 weeks or 15 hours per week in the current school year, which means we are unable to deliver your all child's guaranteed entitlement. We are open for 34 weeks and 13 <sup>3</sup>/<sub>4</sub> hours max.**

## Introduction

- We cater for children aged between 2½ and statutory school age
- To ensure that we can maintain good quality support through key person the capacity of the pre-school is set at 60 children. 2 places out of the 60 are reserved for children with additional educational needs.
- In order to provide quality sessions and in keeping with our registration no more than 20 children can be catered for in any session.
- In order to help children feel part of the pre-school applications must be for 2 or more sessions a week. New children would not normally be offered more than 3 sessions when they start.
- Children may attend a morning or an afternoon session on any one day, but cannot attend both.
- Applications for places for the coming school year must be submitted by 1<sup>st</sup> May. Places will be allocated by 1<sup>st</sup> June. The two main intakes are in September and January. Starts at other times are possible, if there is a vacancy, by arrangement with the Supervisor

## Inclusion

We are committed to accepting children from all backgrounds. The oversubscription criteria give preference to children living within the catchment area and in sections 1c and 2c to those with a parent are on the electoral roll. 2 places are reserved for children with additional educational needs.
